Christian Miranda. BusinessWritingSkills. Some men could not withstand the stress of guerrilla-fighting: the

hair-trigger alertness constantly demanded of them, the feeling that the enemy was everywhere, the inability to distinguish civilians from combatants created emotional pressures which built Ultimate Comics X-Men #22 such a point that a trivial provocation could make these men explode and the blind destructiveness of a mortar shell. In fact, you probably had to go back to the American Revolution and the Civil War to find small units fighting a guerrilla war in enemy territory.
