Postatosabato,6marzoalledaSimonettaSantamaria.Accesstothecollecti feminist pedagogy in universities found early adoption in the late s and early s, it is a newer phenomenon in library instruction, finding its early roots in works by Ladenson and Accardi By fostering active engagement and critical thinking skills, feminist library instruction sessions encourage students to question authority, actively participate in the knowledge production process, and become aware of their power and information privilege as they navigate increasingly complex information environments. D'ailleurs, je le lui ai dit.
