You are the only one in total control of your life, and it cannot and will not ever be any other way. Even worse, an intense genetic dissemination of their genes produced a heightened danger for society There was only one genetically logical hope: The ill must be identified and excluded from the reproduction.

Doitrightaway. When I later arrived at the embassy, I was told that the last ch In a state assumed to have a constitutionally weak governor, the Speaker of the Texas House wields enormous power, with the ability to almost single-handedly dictate the legislative agenda. But if we do eventually end up in a country where people can no longer end or even prevent unwanted pregnancies, we will need more than a handbook—we will need an outright

revolution. Excerpt from "Hold Me Tight" Conversation 3:
